

## Y.M.C.A. LOCK-IN 2012

DEAR PASTOR OR YOUTH LEADER,

Summer Camp continues to be very successful. Many youth have terrific friendships with youth from other churches. It is our hope at North Country Baptist Youth Ministries to encourage such relationships as well as provide opportunities for new friendships with other Christians from other churches. To help do this we have planned a Lock-In at the YMCA near the Lycoming Mall (Muncy).

**Please note that the location is different than last year.**

Eastern Lycoming YMCA  
Near Lycoming Mall

March 2, 10:00PM - March 3, 6:00AM

Cost: \$15.00 Early Registration (Before Feb 14)

Cost \$17.00 After Feb 14, 2012

Grades: 6th - 12th

All leaders and anyone out of High School will need a background check. If they don't already have one, this can be done easily through Judy Husted.

Our Activities for the Weekend will include:

Basketball	Volleyball	Swimming
Team Competitions	Large Group Games	Pizza & other Snacks

It is our hope that your Youth Group will be able to participate. Young people attending the Lock-in should bring gym clothes, swimming suit & towel, if desired, sleeping bag and night clothes, and any special equipment they wish to use (table games, etc.). Please make sure the swimming suits are modest. Two piece suits should be covered by a tee shirt.

Each youth group should have an advisor to stay with the youth through the night. If a youth group has 5 or more boys a male counselor is needed and if your group has 5 or more girls a female counselor is needed. We suggest that a driver comes from home to pick the youth up after the Lock-In. If this is not possible drivers will be expected to take a nap at some point during the night.

If you are interested and want more information, please call Judy Husted, 570-297-4257; [husted@epix.net](mailto:husted@epix.net).

We hope you will bring your young people to this exciting event.
