GUIDELINES FOR BEHAVIOR FOR NORTH COUNTRY CAMPS

1. Each Camp will have an established lights-out time, after which campers will remain in their cabins.
2. There shall be no behavior that would result in damage to property or injury to others.
3. Campers shall not visit in cabins assigned to members of the opposite sex.
4. Romantic physical contact will not be allowed.
5. The board reserves the right to send home any uncooperative camper.
6. So that we may be sure that campers are eating properly at meal time, we ask that snacks be left at home. Limited amounts of snacks can be purchased at the camp snack bar.
7. We have found that the use of cell phones and radio/cd/mp3 players has been a major distraction at our camps and retreats. We are asking you to leave them home. We will be collecting those brought to camp and returning them when camp is done.
